**Solitary Wave**

It's been a lonely day  
Another lonely day  
Out on a sea of grey  
A solitary wave

Time that's laid to waste  
Can never be replaced  
It's washed away  
By solitary waves

Hard to turn away  
Harder to deny  
Misfortune once embraced  
Decisions made

Should come as no surprise  
To end up in this place  
Out on a sea of grey  
A solitary wave
